

NCASCA members centers enjoy these benefits and more. When your center joins, make sure to sign up your staff, so they don't miss out!

### Dedicated Advocacy Team

Join the only organization advocating on behalf of ASCs in North Carolina. NCASCA works to protect ASCs from burdensome laws and regulations. Your center needs to stay informed. Members receive the latest information and calls to action on issues important to ASCs.

### Reliable Communication

Gain access to a range of benefits as a member, including our quarterly newsletters, member-exclusive website, and direct communication with our dedicated staff.

### Quality Education

Attend Education Days throughout the year, all of which help you earn professional development credits, including nursing hours, AEU's, and IPCHs.

### Experienced Community

NCASCA members have access to a network of fellow ASC administrators and can communicate through the NCASCA Community Forum and networking.
