

# JOIN TODAY! WORK TOGETHER TO PROTECT NORTH CAROLINA'S ASCS!

## YOUR ADVOCATE

How do you protect your ASC from an ever changing regulatory environment? Join the only organization advocating on behalf of ASCs in North Carolina.

NCASCA works to protect ASCs from burdensome laws and regulations. Your center needs to stay informed. Members receive the latest information and calls to action on issues important to ASCs.

## YOUR RESOURCE

NCASCA is a valued resource to members, helping to answer the many questions that administrators face daily.

NCASCA members access the most current, up to date resources on a variety of topics, specific ASC related education and concierge customer service.

## YOUR ASSOCIATION

A well-developed association is a source of information, mentors and referrals for everything from suppliers to equipment.

NCASCA members have access to a network of fellow ASC administrators and can communicate through the NCASCA website forums and e-lists.

## NCASCA MEMBERSHIP FORM

NCASCA is your resource for ASC specific education, communication, and regulatory and legislative advocacy. Take advantage of all the benefits of membership today.
